Re: Kowalewski et al v Samandarov et al, 07 CIV 6706

Dear Ms. Levine:

I represent the defendants in the above caption action and this letter confirms our telephone conversation today. I ask that the Court ~~to~~ revise its scheduling of filing documents in response to my application on behalf of the defendants to dismiss this case.

Currently my time to reply is tomorrow, November 28, 2007. However plaintiffs failed to timely send me a thirty page declaration of one of the plaintiffs until yesterday, November 26, 2007. Plaintiffs were scheduled to send it to me no later than Wednesday, November 21, 2007. Attorney Boris Gelfand of the law offices of Marina Trubitsky consents to my request for a one week adjournment to file my reply which would be Wednesday, December 5, 2007.

Please grant me an additional week on behalf of defendants to reply to the pending motion to dismiss the above captioned case.

Respectfully Submitted,
